

MEYERS, HARRISON & PIA, LLC

Certified Public Accountants and Consultants

Personalized accounting, auditing,
and tax services that get results

Simply the best.

www.mhpcpa.com

Our knowledgeable and experienced professionals are committed to providing clients with the expertise necessary to help their businesses succeed and grow.

For over fifty years, Meyers, Harrison & Pia, LLC has earned the trust and respect of its clients by providing solid traditional tax and accounting services that get results.

The key to our success is providing our clients with an exceptional level of personalized service. We take the time to understand our clients' businesses in order to provide the best level of service. Our reputation has been built through attention to our clients' needs and a comprehensive understanding of their businesses.

MHP is a full-service accounting and consulting firm providing quality tax and accounting solutions to businesses and individuals throughout the United States. With over fifty years of service, MHP has the experience and innovation to address all of your tax and accounting needs. Our clients benefit by getting personalized, quality service beyond comparison.

We go beyond simply providing a financial statement — we give information that will enable you to effectively and efficiently manage your business. We make it our business to understand the complexity of your financial issues and provide you with complete services to match the needs of your personal and business interests.

At MHP, we have an effective mix of large-firm resources and small-firm attention to detail and service. Our professionals have a broad understanding of how to leverage our vast accounting, auditing, tax, and consulting experience to generate real value that will enhance our clients' financial future.

Our knowledgeable and experienced professionals are committed to providing clients with the expertise necessary to help their businesses succeed and grow. Our professionals are trained in specific industries, allowing us to better provide you with specialized professionals who best understand the challenges and opportunities unique to your particular industry.

Tax Services

Our firm constantly monitors changes in federal, state, and local tax laws and provides updates to our clients regarding the impact of those laws. We develop sound strategies and innovative tax planning solutions for our clients, helping them navigate through complex tax issues.

Our seasoned professionals assist businesses and individuals with:

- Tax return preparation
- Tax planning
- Representation before the IRS, state, and local taxing authorities
- Mergers and acquisitions
- State and local tax planning
- Intercompany pricing studies
- Earnings and profits studies
- Estate tax planning
- Property tax preparation

Accounting and Auditing Services

Dependable, accurate financial standards are the cornerstone of your business. They are essential for quality analysis and decision making. We offer a full range of accounting and assurance services that can solidify your financial accuracy and decision making.

From financial report preparation and audits of historical financial statements to preparation of an array of special attestation reports, we help interpret numbers into accurate management information so you can make knowledgeable decisions. Our accounting and auditing services include:

- Audit, review, and compilation of financial statements
- Forecasts and projections
- Internal controls evaluation
- Feasibility studies
- Financial budget development
- Accounting policies and procedures manual
- Due diligence studies
- Pension audits
- Personnel hiring assistance
- Staff evaluations
- Cash flow analysis
- Employee benefit plan audits

Financial Planning Services

Our financial planning services include a wide range of simple to comprehensive financial plans designed to protect our clients' financial security while achieving their particular goals.

Our financial and estate planners provide sensitive and prudent advice to individuals, businesses, trusts, families, and their attorneys with respect to:

- Retirement planning
- Estate planning
- Investment management
- Asset protection and risk management

Client Testimonials

"MHP has been very valuable to our organization for over 15 years. We're part of a specialized industry, so it is important that the professionals we work with understand it. Their thorough understanding of our industry and their team approach to servicing us has allowed us to deal with tough industry issues as we grow. They aren't just trusted advisors; they are an important member of our advisory team."

**Donna Hunter, Chief Financial Officer
Hunter's Ambulance Service, Inc.**

"MHP's strong technical knowledge, integrity, and business expertise has been invaluable to us for more than 30 years. Their longevity and excellent staff retention help maintain a feeling of stability. They know our business as well as we do."

**John Roy, Owner
Bargain News, LLC
Car Buyer's Market, Inc.**

"MHP has advised us with business solutions and tax strategies that continually put us in a financially lucrative position. Their creative solutions and personalized approach offer a level of service like no other. They give and get results."

**George Libby, President
Libby's Sales & Service, Inc.**

"MHP was instrumental in helping me grow my business from humble beginnings. They are proactive, and you know that they're giving you 100 percent. Over the years, their sound financial advice and personal attention have helped me become a more successful businessman."

**Todd Ressler, Partner
Archie Moore's**

Meyers, Harrison & Pia, LLC is a New Haven-based certified public accounting firm, as well as a nationally respected business valuation firm. In addition to providing a complete array of traditional accounting, auditing, and tax services, MHP also offers a broad range of litigation assistance, consulting, and valuation services, including business valuation, litigation support, forensic accounting, merger and acquisition consulting, as well as due diligence and information technology consulting.
